Features & Benefits

- **High oil, multi-purpose conditioning Mix.** Ideal for racehorses in full work to help them to hold their condition. Effective for backward 2-year-old flat horses or young National Hunt horses needing to develop and fill their frame.

- **Energy dense.** Concentrated and versatile source of palatable calories, ideal for use in between races to support recovery rates or for horses with a poor appetite whilst in training.

- **Natural Vitamin E.** Increased antioxidant support.

- **BMC™ (Buffered Mineral Complex).** A natural mineral source with research proven benefits for gastric health and bone development.

- **Vistacell Live Yeast.** Increased nutrient digestibility.
